4. RESTRICTIONS: The following restrictions govern this Bonus Challenge: (a) “Offline donations” will not be counted toward the Challenge and any promotions during the course of the Challenge unless expressly stated in a specific promotion’s rules. These are donations received by a charity team outside its fundraising page but recorded on its fundraising page. This includes, but is not limited to, cash, checks, money orders and any cash grants received during the course of the Challenge such as Bonus Challenge cash grants. Charity teams may enter offline donations to their fundraising pages and they will appear in their total raised. These offline donations will not appear on the Challenge page here: https://www.crowdrise.com/OperationGirl. The only donations that will count toward the
Challenge and appear on the leaderboard during the course of the Challenge are donations that are made to a charity team that are successfully processed online through CrowdRise as determined by Sponsor in its sole discretion. (b) A charity may not make donations to itself either directly or via a proxy. For example, a charity may not aggregate donations received outside the CrowdRise platform (for example, through the charity’s own website) and donate that amount to itself via a charity’s fundraising page. Donations added by the charity itself or the charity’s proxy will not count for purposes of determining the Challenge winners. This limitation does not extend to individual bona fide donations from charity employees, board members, the Executive Director, CEO, etc. The intention of this rule is to prohibit a charity from taking money from its own account(s) and donating to its Challenge fundraising page directly or through another person or entity to advance their standing in the Challenge and win prizes, therefore getting a return on its investment. (c) Any donation during the Challenge Period over $10,000 will not count towards the total used to determine the winners of the Challenge. A donor may make multiple donations of no more than $10,000 so long as the Challenge Rules are followed. For example, Donor A may donate $10,000 two times to Charity B on July 9th and $100 on July 31st and $10 on August 1st and (d) These Bonus Challenge Grants are awarded after the Challenge has ended and shall not count toward any other contest during the course of the Challenge.

5. DONATION PERIOD: The Donation Period for this Bonus Challenge begins at 2:00pm ET on August 12, 2014 and ends at 11:59:59am ET on August 18, 2014. Donations are counted towards the Bonus Challenge after such donation has been successfully processed as determined by Sponsors in their sole discretion. The amount of donations listed on the Challenge leaderboard or on the scrolling list of donations on any particular fundraiser page do not constitute the official donation results and are subject to confirmation by Sponsors before such donations are included in the final official Challenge leaderboard results.
